bring anything they want  
to tell the class about but

## Snack Calendar

*Each month a new  
snack calendar  
will be posted for  
your child's class.  
Most of the classes  
you will only have  
to sign up for one  
menu date each  
month. Bring in  
the scheduled  
drink and snack  
in the morning of  
that day. Any  
leftovers will be  
sent home with  
you. The new cal-  
endar will be*

*ready the last  
week prior to the  
coming month.  
Caution: Please  
do not bring in the  
sugar free version  
of any snacks as  
these artificial  
products are not  
approved for chil-  
dren. We will also  
need enough for  
the whole class.  
Check serving  
sizes. We will  
need 15 servings  
for most of the  
class. On cooking  
days, you will  
provide the ingre-  
dients for the as-  
sembly here.*

only 1 or 2 items at a  
time. Some ideas might  
be a special stuffed ani-  
mal, something from na-  
ture, an item or picture  
from a family trip, some-  
thing to share about your  
family. If you are bringing  
a pet prior arrangements

need to be made with me.  
Some children even  
"practice" with the item  
before bringing it to  
school so they feel com-  
fortable. The children  
look forward to this time  
of the day.
