Songs and Prayers

“God So Loved the World”

God so loved the world,
(repeat 3 times) He gave us His Son.

Jesus loved the world,
(repeat 3 times) He gave us His life.

That’s why we sing praise,
(repeat 3 times) God so loved the world.

This week we focused our Jesus time learning how God the father protected his son, Jesus from king Herod’s decree. He wanted to kill the boy king, but God spoke to Joseph in a dream and told him to take Mary and Jesus far away until it was safe. We also talked how God sends his angels to protect us just as our earthly fathers protect us from danger. We learned a new song called “God So Loved the World” that we will sing in church on Feb. 5th at the 10:30 service.

We are almost to the middle of the alphabet with the letter “K”. This is one of the trickiest letters to write as it has the first diagonal lines in it. The children put in lots of extra effort. We spent tons of time on counting to twenty. The teen number can be a little tricky as they sound very similar. Over announce the sounds for thirteen and fourteen so the children can hear the difference as well.

We painted on our pillowcases this week. The 3 year olds stamped number 3 and worked on counting one to one up to 5. The M-W-F classes did letters H, I, J and K. They always enjoy guessing what the next picture might be for each letter. Don’t forget there is no school for the next two Monday’s for Martin Luther King Day and conferences in the big school. We will have conferences in 4th quarter in regards to Kindergarten readiness. Have some fun days off.
