

Salem Lutheran Preschool

A day in the life as a preschooler at Salem starts with Jesus time. Christ is the center of all our activities and His Word is integrated in all subject areas. After Jesus time we work on the skill of the day which could be letters, number skills, science, social studies concepts or kindergarten readiness activities. All are taught keeping fun and excitement as a fundamental tool for learning. We then turn our attention to large motor skills with fun on the playground or in the gymnasium. We round up our day with snack time, share bag, singing and story time. It's a fun, action packed, structured day that promotes learning and social skills.

Classroom Management

As a teacher at Salem Lutheran School, I will strive to treat each child with love and respect. My expectation is that each child will grow in their faith and want to show their love for their Savior in their actions. Discipline will reflect the Savior's love to treat each other as they would like to be treated. Conflicts will be handled on an individual basis and communicated to you, the parent, as they arise.

School Supplies

- ◆ 1 box of tissue to share with the class
- ◆ 1 box 5 oz. Dixie cups (size specific)
- ◆ 1 standard white pillowcase
- ◆ 1 pocket folder
- ◆ 1 backpack (big enough to fit folder)
- ◆ 1 container disinfecting wipes
- ◆ 1 dry erase marker (bullet tip)
- ◆ An extra set of clothes including socks and underwear (please label)
- ◆ 1 pair tennis shoes non-marking soles
- ◆ Copy of immunization record

Field Trips

We will go on several field trips this year with the M-W-F classes. We would appreciate any help with chaperoning and driving for these trips. Watch for notes in the preschool newsletter.

Snack

I will produce a snack calendar each month for each class. Please sign up to provide one snack for the entire class each month.

Philosophy of Education

Salem Lutheran Preschool is devoted to teaching your child skills necessary for entering kindergarten in a fun, caring, Christian setting. They will learn Jesus' stories and songs. Your child will become proficient at using school tools such as scissors and pencils. Your child will enjoy discovering God's world through science and nature. They will develop a love for learning through books and music. Come see what Salem Lutheran has

for you!

More About Me

My name is Jane Grobe. I grew up in Green Bay, Wisconsin and yes, I am a Packer fan. I am married and have three children, Benjamin, 21, Nathaniel, 19 and Kristi, 15. Brian and I have been married for 22 years and enjoy spending time golfing, reading and cooking.

I graduated from both Wisconsin Lutheran College and Dr. Martin Luther College. I continue to take classes and seminars that will enhance the knowledge I have and keep me up to date on current teaching trends. I have previously taught grades 3-8, but am currently happy serving in preschool.
