FUN THINGS WE DID

"Songs and Prayers"
"Kookaburra! Sits on the old gum tree. Merry, merry king of the bush is he. Laugh, kookaburra, laugh, Kookaburra. Gay your life must be. Kookaburra sits on the old gum tree. Eating all the gum drops he can see. Stop kookaburra, stop, Kookaburra leave some there for me.

This week we learned about the ascension of Jesus. The children learned that the word ascend means to go up and the disciples watched Jesus go up into heaven. The three important thing they learned is that Jesus told them "I will be with you always", he gave all of us a job to do; to go into all the world and tell everyone about Jesus. He also told the disciples to wait for the Holy Spirit to come.

This week we learned about the letter "W". This is by far the trickiest letter to write. They learned a trick to do this by putting two "V" touching they make a "W". They also learned that this sound is often confused with the "R" sound. The children were excited to learn about frogs. They really enjoyed learning about amphibians. We are completing all of our testing and conferences have started. Watch for sign-up sheets in the entry.

We are also working on a special secret project for mom. All classes are working on take home books to review counting as well as writing the numbers independently.

Special points of interest:

Conferences: I have completed testing for all the classes and will be starting conferences. I would like to keep conferences to 1-2 a day so I can spend time with each of you. Watch for a sign up sheet in the entry way. I will not post the whole month as my schedule changes frequently, but will have 1-2 weeks at a time.

Reminder: Keep spreading the good news about Salem preschool. Our classes are filling but we still have space for more. If you need info packs to give just ask. Also don't forget we do have the web site active now. Send them to www.salem.lutherschool.org We would love to work with your friends and families, too.
