Fun Things We did

This week we learned about the first miracle of Jesus. We learned how Jesus started his ministry at a wedding using his almighty power to turn water into wine. The children tried but quickly realized that they couldn't do it because they do not have almighty power.

The letter this week is another tricky one; the letter "M". The letter is formed using all downward strokes. This can be hard to line up the "crooked" lines with the straight lines. No cheating parents by telling them to go up, down, up, down.

We spent some time on cutting hearts for our valentine boxes. They turned out very cute using their cut hearts with valentine stickers. They can start bringing in their own valentines for delivery.

All three classes learned about Punxsutawney Phil and the groundhog tradition. They made a terrific snack with a banana that was turned into a groundhog. They were very tasty creations. They also learned some interesting facts about ground hogs. We enjoyed playing "Clean the House" for phy-ed. It is physically tiring to throw pom-poms into someone else's territory. We are enjoying our new song "Ephesians 2:8" It is about the perfect gift of love.

Songs & Prayers

"Ephesians 2:8"

By grace, grace, grace you have been saved, saved, saved through faith, faith, faith not of your selves, selves, selves. It is a gift of God. It is a gift of God. It is a gift of God. Ephesians 2:8. (Repeat 3 times) Angela Naeve CD "Each Day"

Open Forum: An all school Open forum will be taking place with concerns about the church budget and possible cuts. The congregation would like you to be informed on the possible effects this could have on the school. Please plan on attending 6:30 p.m. on February 10. This will take place instead of the Top 20 forum.

Singing in Church: We sing in church on Sunday, February 6th at the 10:30 service. We will meet in the 1st grade classroom at 10:15 so we can run through the song and get lined up. Again assure your child that you can't wait to hear them sing "This Little Light of Mine".
