FUN THINGS WE DID

This week we learned about Jesus calling Peter to be a fisher of men. He showed his almighty power when the fish swam right into the net for Peter to catch after a night of catching nothing. We learned a song to go with it called "Going Fishing". We enjoyed delivering our valentines in the special boxes you made at home. Very creative!! This way we had some time to make a beautiful piece of valentine jewelry. They also had a great time making a very special valentine for their parents. I hope you enjoyed them and got some real hugs and kisses, too.

The letter of the week is "C". The children are catching on that this is a relatively easy letter for them to write. On Thursday and Friday we celebrated our Valentine's party. We played musical chairs, "I Spy" with different patterned hearts. (This really helps their observation skills). We sang some fun songs and read some valentine stories. We also had some awesome valentine cookies.

We practiced the days of the week song as well as worked on patterns and matching. Some of the classes practiced hopping and balancing using the hippity hop balls and the clip clops. This takes some practice but they are getting pretty proficient at it. Have a lovely Valentine's Day everyone.

"Hearts in Hands"
Now's the time to
make a heart.
Form a V—it's the
place to start.
A big hump on one
side, and now the
other.
This heart shows the
love we have for
each
other.

Special points of interest:

- **No school February 15 for President's Day and February 19 due to basketball tournaments**
- **We still have a few openings in our p.m. class and 3 yr. old class. Keep on spreading the good word about our school & preschool!**

ANNOUNCEMENTS

Announcements

Great Parents: I am very impressed, we had everyone on Monday-Wednesday-Friday bring the Valentine boxes on time. Great listening ears! Keep up the good work.

Lenten Invitation: I would like to invite all of you to join us for church during this Lenten season. Ash Wednesday is February 17th. We will have services at 4:00 and 7:00 p.m. each Wednesday night throughout the season. They will also be a meal served in the fellowship hall between the services. Join us!

Spirit Week: Each year at Salem we celebrate Spirit Week by having different dress up days. Our 8th graders decided to have Tues. Feb. 16th as Favorite Character day, Wed. Feb. 17 is Pajama Day and Feb. 19 is School colors/ Crazy day combined. Our school colors are blue & green.
