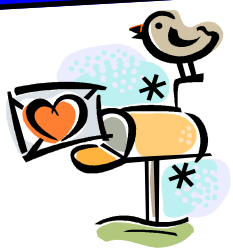
SALEM PRESCHOOL NEWS

Volume 2 issue 23 February 3, 2010



FUN THINGS WE DID

This week we learned about the first miracle of Jesus. We learned how Jesus started his ministry at a wedding using his almighty power to turn water into wine. The children tried but quickly realized that they couldn't do it because they do not have almighty power.

The letter this week is another tricky one; the letter "N". It is very hard to line up the third line going down straight to meet up with the middle diagonal line. No cheating parents by telling them to go up, down, up.

We spent some time on cutting and putting smallest to largest in order. We learned how to play Tic-tac-toe. This is a good game to teach turns, observe the other players turn, and strategy. At first everyone just looked at their own pieces. By the end we had a lot of draw games.

The 3 yr. old class learned about the ground hog tradition. They made cute puppets and learned about shadows. They also learned some interesting facts about ground hogs. We enjoyed playing "Clean the House" for phy-ed. It is physically tiring to throw pom-poms into someone else's territory. We are enjoying our new song "Ephesians 2:8" It is about the perfect gift of love. We are also making valentine's for special people in our lives.

Songs & Prayers

"Ephesians 2:8"

By grace, grace, grace you have been saved, saved, saved through faith, faith, faith not of your selves, selves, selves. It is a gift of God. It is a gift of God. It is a gift of God. Ephesians 2:8. (Repeat 3 times) Angela Naeve CD "Each Day"

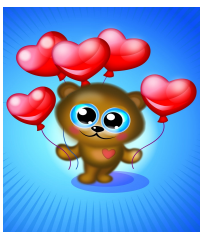
Special points of interest:

- **No school February 15 for President's Day and February 19 due to basketball tournaments**
- **We still have a few openings in our a.m. & p.m. class and 3 yr. old class. Keep on spreading the good word about our school & preschool!**

ANNOUNCEMENTS

Announcements

Valentine Boxes: Your beautiful creations can come in next week by Wednesday. This way we will have them before the party for Valentine delivery. Let me know if you need a box.



Dental Health month is in February. On Monday, February 8th, And Tuesday, February 16th, we will have a guest speaker coming for preschool to teach us about our teeth. She is from Lucas and Lydia Sydlewski's mom's practice.

Spirit Week: Each year at Salem we celebrate Spirit Week by having different dress up days. Our 8th graders decided to have Tues. Feb. 16th as Favorite character day, Wed. Feb. 17 is pajama day and Feb. 18 is School colors/ Crazy day combined. Our colors are blue & green. We enjoy this special time of year.
