Fun Things We Did..

Songs

"This Little Light of Mine"
This little light of mine,
I'm going to let it shine. 3x
Let it shine, Let it shine,
let it shine.

Hide it under a bushel?
No! I'm going to let it
shine. 3x Let it shine....

Don't let anyone (blow) it
out. I'm going to let it
shine. 3x Let it shine...

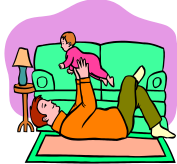

This week we are back to our normal routine after the Christmas break. Fittingly, the Jesus story this week was about the wise men who came to worship Jesus by following a star. They encountered jealous king Herod in Jerusalem who wanted to kill the boy king, but God had a different plan. God appeared to Joseph and the wise men in a dream to warn them about Herod. What an amazing God we have!

This week we enjoyed making things that are cold. Both classes made a huge ice cream cone to practice their numbers or letters that they have already learned. We also created some abstract art snowmen that are very endearing. All of them turned out unique. We changed the bulletin board with our theme to snowmen that can grow on the rock. We don't want any of them melting away.

Letter "I" is the letter of the week. It is a hard one to hear in words as the sound is similar to the short f sound. It is fun to write though. We are working on no lollipops with the small i. We started learning our new song "This Little Light of Mine". It reminds us that Jesus is the light of the world and we are his instruments to let Him shine through us. Watch the calendar, we have lots of off dates this month.

Special points of interest:

- * Anyone interested in making treats for the upcoming Open House? We would only need a couple of pans of bars or cookies and some juice. If you are interested, please talk to Mrs. Grobe as soon as possible.
- * Thanks to all of you for your prayers and concern during my surgery. All went well and will continue to improve over the next month. I look forward to clear, pain-free eyes.

Announcements

Top 20 Parents:
We are closely approaching January 13. This date is the chance for you to learn about being a Top 20 parent. The time is 6:30 - 8:30 p.m. You will not want to miss the opportunity to hear from the authors themselves on parenting strategies for you. I have been implementing many of these things in the classroom even at the preschool level. Invite friends. You won't want to miss this.

Valentine's Day: I know we just finished one party but another one is looming. We will have a Valentine's party on February 15th for the 3 year old session and the 14th for the M-W-F sessions. Your child should sign a valentine for each of his classmates but don't put who it is to. The children can't read and they like to deliver them. Treats are welcome but consider a non food items instead. Thanks!

Preschool Registration: We are currently accepting registrations for next school year. If you need a specific class, do not wait. They tend to fill quickly. We do accept registrations for siblings of current school families and members of Salem before we open to everyone else. Please make sure your registration is in before the Open House date of January 25th.
