Special points of interest:

Fun Things We Did...

What a beautiful couple of weeks we have had with the weather.

It almost feels like summer again. Last year at this time we had snow on the ground. We thank God for the sunshine and dry weather. Our Jesus story this week is about Abraham and how God answered his prayer. Sometimes God's answer is yes, sometimes it's no, and even not right now. This is a great lesson for all of us to remember. Continue to pray for whatever reasons and know that God will answer your prayers.

We are busy studying about fire safety. This can be scary for some of the children but a necessary topic for them to learn. We have practiced fire drills and should practice one at home as well.

They are to look for the smoke detectors in your home and also decide on a meeting spot in case of a fire. We also will be practicing Stop, drop and roll. Letter "B" is the letter this week. We practiced writing it with a line straight, belly on top, belly on the bottom. Little b is bat first then the ball. Their success was exciting.

ANNOUNCEMENTS

M-W-F a.m. class

Please bring a gallon of the drink listed for the day. I want to be sure everyone can have 2 glasses if they request it.

Conferences:

Yes, we do have conferences in preschool to keep you up-to-date on your child's progress. I will have a sign up sheet on top of the cubbies after I get all the families with 2 or more children at Salem. We try to coordinate as much as possible so you can meet with both teachers one after the other. Thanks!

Snack information:: WI would like to keep our snacks as healthy and kid friendly as possible. For this reason, please do not send products with a sugar substitute as these are not approved by pediatricians for young children. I try to limit the amount of sweet snacks on the menu as well as limit portion size. Thank you.
