

May flowers are blooming..

*May God bless your going out and
your coming in...*

PARENTS PLEASE NOTE: School is dismissed on June 4th at 12 noon. Because of that, there will be no “after school care” on the last day of school! All children must be picked up from school at 12 noon. Thank you for your consideration in this matter!

SCRIP: We will continue to order Scrip cards throughout the Summer months. The schedule will remain the same. Orders will be collected the second and fourth Mondays (in the AM) of the month.

Order dates are as follows: June 14th, June 28th, July 12th, July 26th, August 9th, and August 23rd.

Please drop off your completed form and check in the Scrip Lock Box in the narthex as the school office will not be available for drop off during the Summer. Orders will be available for pick-up the Friday following the order. Orders can be picked up in the church office during the week anytime between 7:30AM-2:00PM. If you are not able to pick up your order during these times, special pick-up arrangements can be made with Mrs. Kane or Mrs. Agen. We are also excited to announce **Acapulco gift cards** will now be available with every order instead of only the first order of the month. Please continue to support our church and school with your Scrip orders and thank you to those of you who already do! Any questions, please contact Jennifer Agen at 651-430-9991/651-246-6373 or Dee Kane at 651-738-1733/651-248-3772.

Hot Lunch Change: On Thursday June 3rd, Mr. Bill Hanson has graciously offered to grill hamburgers, brats, and hot dogs for the students and staff in place of the normal hot lunch. The cost will be equal to a normal hot lunch meal: \$2.65. This is quite a deal when you think of what it costs to go to McDonalds or Burger King! For those families with money in their hot lunch fund, that will be fine. For those children who don't normally eat hot lunch, they will need to bring in money to the school office so they can be counted! Thanks for your help in this matter!

Registration for 2010-2011 School year: In early March, the forms went home for registration for the 2010-2011 school year. We are asking that parents send these “intent to register” forms backs by the end this week so we can get a count for enrollment for 2010-2011. At present, we have a lot of new families who have called and indicated their interest in enrolling for next year. In some of our classrooms we are nearing the limit for the classroom. Having the enrollment forms helps us to plan on staffing needs for next year, whether we need teacher's aides, and how many books and supplies to order.

Thank you!: I want to take this time to thank all the wonderful Salem volunteers! Without all the assistance you provide the faculty and staff, we could not do the job we do! God has truly blessed us through this relationship. Have a blessed summer and we will look forward to seeing you again next year!

Bus Forms: REMINDER: bus forms need to be filled out by the parent, one for each student, and sent into the Stillwater Area Public Schools Transportation Department .
These forms need to be in their office no later than June 15th.

New Teacher: On Saturday, May 15th, the Lord blessed Salem Lutheran Church and School through the Calling of a new teacher and youth leader. Our new teacher is Justin Krause and he hails from Watertown, Wisconsin. Justin and his soon to be wife Emily, will make the move and transition to Salem sometime in late July! Justin graciously sent a picture of himself and Emily to share with Salem School! May God bless their work among us!

Kindergarten - Mrs. Gutzke:

The boys and girls in kindergarten have had a busy and fun couple weeks! Last week we were busy preparing for our spring play. The students were excited to perform the play for the student body Friday morning at dress rehearsal and even more excited to put it on Friday night for their parents and families. The play "Tikki Tikki Tembo" was great. I'm sure the kids will remember that long name for a very loong time! 😊

On Monday of this week we went on our final field trip of the year! We went to Crystal Cave in Spring Valley, Wisconsin. There was a lot to see and learn down in the cave. It wasn't too bad to be in the constant 48 degree air temperature down in the cave when it was a record high 95 outside. Thank you to all the parents, siblings, and drivers that went along. We couldn't have done it without you. I appreciate your time!

We have begun working on the last of many things. Our last letterbook—the letter "Z". The last chapter in our math books and the last of our Old Testament Bible stories. We have turned in our library books for the last time. The kids see the end in sight.

Grade 5 - Mr. Snodie:

Even though the year is almost over, we continue to work hard in fifth grade. We just finished studying the Civil War. Groups presented on many different important people and battles of the war. Now we are finishing our year by studying westward expansion and the end of the western frontier.

At the beginning of May, most of the fifth graders participated in the track and field meet at St. Croix. Because of the great participation, Salem took third place overall. Most of the fifth graders placed in their individual events as well.

This week was the week of our spring musical—*Joseph, from the Pit to the Palace*. We've put a lot of work into this performance. It was fun to be able to perform it for everyone Wednesday night.

Weekly Calendar

Mon. May 31:
Fri. June 4:

NO SCHOOL - MEMORIAL DAY
9:15 AM Closing Service
1/2 Day of school - NOON DISMISSAL
